

TALK ABOUT PEACE

(an echo song)

Diane Kordas © 2001

Let's talk about peace
around the world
for every boy
and every girl.
Peace begins
right here today.
In what we do
and what we say.
We don't want to fight,
Or hit or hurt.
We can use our mouths
tell our feelings first.
Sometimes we may
Just disagree.
We'll talk about it
Just you and me.
Peace, peace is a beautiful thing, if we all work together
It can be more than a dream.
Let's sing for peace
Around the world
For every boy
And every girl
Peace begins
Right here today
In what we do
And what we say
Peace, peace is a beautiful thing, if we all work together
It can be more than a dream
Let's sing for peace
Around the world
For every boy
And every girl
Peace begins
Right here today
In what we do
And what we say
In what we do.

This is a call and response song great for group singing, New Orleans style. Use sign language and motions with this song to add some fun. What are some other ways you can promote peace in your school and community and country?
